

SIGN UP NOW FOR THE
2012 Health, Wellness and Business Fair
MARCH 10, 2012 9am – 4pm
LITITZ REC CENTER

The **Lititz AMBUCS**, a Lititz area service club, also known as the *American Business Club*, will host its newly-named 17th annual Northern Lancaster County Health, Wellness and Business Fair on **Saturday, March 10, 2012 from 9am – 4pm**. In addition to the *Business-to-Community* opportunities, we are hoping to raise excitement and attendance by including *Health and Wellness services* in our area, along with a slate of demonstrations in the adjoining Activity Rooms at the center. Some of the changes include:

- An admission charge of \$2 or a non-perishable food item to be distributed to a local food bank
- The elimination of the ½ hour door prize give-aways. These will be replaced by a few quality door-prizes given away at the end of the event
- Opportunities for businesses to showcase their products or philosophies in the Activity Rooms

The Fair will be aggressively promoted using local media outlets, including **101 The Rose**. Your participation will enable you to reach 100's of new potential customers as well as the ability to mingle with current customers. ***It is a terrific investment in the community as well as your business!***

The Registration Fee is \$300.00 and it includes:

1. An 8' x 10' space professionally set up with back and side drapes.
2. An 8' high drape border.
3. A 7" x 44" company sign.
4. An electrical outlet nearby (bring an extension cord).
5. One 6' table and one chair.
6. 20 free admission tickets.

The Fair is a major fundraiser for the Lititz AMBUCS, which has served the Lititz community since 1956. We are well-known for our sponsorship of the Warwick Community Ambulance Association, scholarships for physical therapists, therapeutic tricycles and donating to many charitable organizations. We are proud to donate ALL of the net proceeds from the Fair to worthwhile community organizations. Your participation is not only a good opportunity to promote your goods or services, but also to give back to the community that supports our businesses.
